

# CANVAS BAG DRAMA

## HALSWELL CAMPUS – TERM 3 NEWSLETTER

MONDAY THUMBELINA — Tutor Annabel Brodie

This term has been very exciting. It has gone super-fast and I have loved getting to know each of your children in this last term. We

have been exploring role play through various children's stories, learning fun drama games which help the children to build confidence in drama and learn to encourage each other to have a go. This term we have also been looking at creating characters using dressups, props and character workshops.

The children have enjoyed creating characters in our game shop that we have made up, based on a story

called "Shop." I am looking forward to Term 4 where we will begin working on our end of year production "Cora Who Will Be the Poet."
