

CANVAS BAG DRAMA

Seaside Newsletter

Term 2 has been wonderfully fun and creative at the Seaside Drama Classes. The children have been very responsive and have shown great imaginative skill in creating their own characters, and they have all participated in an energetic and enthusiastic manner.

Seaside Thumbelina

This term the Thumbelina class have really enjoyed re-creating several David Walliams' stories. We have blasted off to the moon, in an effort to be the first hippo to land there. Fancy inviting an elephant to stay for a few days? That's just what we did. But this elephant was less than well mannered.

There have been many adventures through forests and jungles. Plus trips on planes and boats to discover new exotic places.

Music and movement has been a big part of the Thumbelina classes this term, and many a creative and fun environment has been created using percussion instruments.

Seaside Starfleet

The Seaside Starfleet class have thoroughly enjoyed devising their own scenes, with many wonderfully wacky and whimsical characters. Developing ideas from the written word and bringing scenes to life that compliment the themes of these stories has been an integral part of Term 2.

Some of the stories involved becoming famous artists, and mythical characters. The children enjoyed being the Sea Fairies in the story of Kahukura.

We travelled to many different lands and met other people and different creatures. Through many imaginative scenes the stories came to life.

Important Information

The last classes for Term 2 are on the 6th of July. Term 3 classes commence for the term on the 27th of July.

Please reconfirm your child's place for Term 3 by replying to the reconfirm your place email that will go out to all parents on 7 July.

Term 4 Production

There will be a production in Term 4. Details are yet to be confirmed but it will most likely be during week 6 of Term 4. Followed by regular classes until the end of the term.

During much of Term 3 the classes will be "show focused" and will involve auditioning, choosing parts and practicing. With plenty of fun and creating along the way.

Thank you for helping to make this term a very rewarding experience for both myself and your children. I look forward to seeing you back in Term 3.
